TGI INKS DEAL WITH WABASH NATIONAL CORPORATION

May 22nd, 2014 (Miami, Florida). Tire Group International is pleased to announce that it has signed a supply agreement with Wabash National Corporation, a diversified industrial manufacturer and North America's leading producer of semi-trailers and liquid transportation systems.

After a series of tests conducted by independent auditors as well as Wabash National's own quality assurance group, Wabash National has endorsed TGI's products and capabilities for support of its customers across the U.S. TGI's impressive brand portfolio offers a wide product range. Wabash National customers will now have an expanded option of high value products for Original Equipment (OE) and replacement tire offerings.

TGI will also be supplying the Industrial Purchasing Consortium (IPC), which is managed by Wabash National on behalf of the IPC member companies. The IPC provides its members, consisting of manufacturing, distributorship and other industrial companies, with incremental savings and cost reduction opportunities through economies of scale in the procurement of raw materials and component parts.

Chief Marketing Officer, Joaquin Gonzalez Jr, stated, "This agreement is a milestone for Tire Group International and it's a solid stepping stone in further growing our USA market presence. Wabash National and TGI jointly share the core values of integrity, trust and respect for all our customers, associates and partners. This is precisely the type of company that TGI wants to be associated with."
